CHOCOHOLICS

## *A place for chocoholics*

Can you guess where I am? What am I doing?  
I am at Neuhaus Factory shop in Brussels!  
This is a shop for real chocoholics! Right  
now I am holding a box with chocolate. You  
can taste as much chocolate here as you  
want...or as much as you can! My limit is 8  
sweets. While I am posing for this photo,  
my Belgian friends are tasting some new  
sweets in this shop. I am smiling in the  
photo, because chocolate makes me happy.  
Are you eating chocolate while you are  
reading my story? If 'yes', you are a real  
CHOCOHOLIC!

Chocoholic is someone who very likes chocolate
