

Photos vs real life

Look at my photos! In the first picture I am going barefoot, because I am at a sacred Buddha place and it is forbidden to wear shoes there. In everyday life I don't go barefoot in the street, I wear shoes.

In the second picture I am wearing a vampire cloak because it is a Halloween party. In my real life I don't wear vampire cloak, I wear dresses or jeans.

In the third photo I am eating an extremely spicy seafood soup. In my real life I don't eat such kind of food, usually I am not fond of spicy stuff.

To go barefoot - ходить босиком
sacred Buddha place - священное буддийское место
to be forbidden - быть запрещенным
